No. 1165.—The following letter received from the Government of the East African Protectorate is published for general information:—

THE COMMISSIONER, MATRUH,
EAST AFRICA PROTECTORATE,
June 27, 1928.

Sir,

I have the honour to inform you that the Government of the British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1904, and the Immigration Restriction Amendment Ordinance, 1910, copies of which are enclosed herewith.

2. Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 5 (a) * might be permitted to enter the Protectorate on payment of a deposit amounting to £100. In the course of time this provision was shown to be acting as a detriment to the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Office was empowered to accept security in lieu of the deposit.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land to enter that they may be given the opportunity of finding a security. This course has led to losses and is a most objectionable one, inasmuch as the deposit prescribed by section 11 of the Ordinance of 1904 is payable before landing and if this section is read together with section 5 (1) of the amending Ordinance of 1910, it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect from the 1st of September 1928 and I have the honour to request that steps may be taken to make this provision known to those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of the Protectorate will not hold itself responsible for any expenditure thus incurred.

I have the honour to be,

Sir,

Your most obedient servant,

C. G. THORNTON,
Chief Secretary to the Government.

Local Governments and Administrations are requested to make the instructions contained in the letter as widely known, as possible, particularly in places from which emigrants to British East Africa are believed to be most numerous. It is also suggested that steps be taken of the risks they are incurring, before landing, to deposit the sum of £100, or to comply with the demand for the requisite security in lieu of the deposit.

T. SIVARAMAYYA,
Secretary to Government.

* The section provides that immigration of any person with and with a number of dependants or any person who is likely to become a public charge.

† The deposit required from a native of India is Rs. 50.

Port St. George, June 29, 1928.

A. A. VENKATARAMA AYYAR,
Assistant Secretary,
Board (Local Revenue and Settlement),
Madras, 24th June 1923.

No. 1.—In exercise of the powers delegated under section 17 (c) of the Madras Survey and Enclosures Act, VIII of 1913, published on page 1292 and 1294 of the Port St. George Gazette dated 26th September 1922, Part I, as amended by Government Notification No. 1617 dated 26th March 1924, and in pursuance of Commissioner's Notification No. 9, dated 24th June 1923, the Commissioner of Revenue

herby presents the following rules for the issue, etc., of licence under section 12 of the *Malacca District Act 1 of 1916*, for the tapping of lody-producing trees and for the drawing of lody therefrom, on and after the following local time from the 1st day of October 1916:—

(1) The villages in the Agency lands specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Malacca district and the Wyand taluk, Anjeng, Tumpang and the Attopadi taluk of the Malabar district.

(3) The Rangoon State.

2. Tapping licence shall be issued on the application—

(a) of licensed lody shopkeepers in areas in which the lody shops are sold by auction, or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of certain lody articles;

(c) of persons on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the movement of the lody down to some particular shop and that the latter application is accompanied or acknowledged to be correct by the shopkeeper to whom the lody is to be taken;

(d) of tree-owners generally, and of sweet-lody tappers in the villages of the Agency lands specified in Schedule I, in the East Godavari district, in the portion of the West Godavari district corresponding to the Nannigeri, Hanamam, Thandri, Eluru and Thandri taluks of the old Eluru district and in the Rajahmundry and Thandri taluks of the Godavari district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-lody tappers for the drawing of lody required for domestic consumption, but not for sale;

(e) of lody shopkeepers or owners in the Mysore territory and in the Rangoon State desiring to obtain lody from trees growing in British territory;

(f) of lody shopkeepers in the Pudukkottai State desiring to obtain lody from trees in British territory provided that the application is certified or counter-signed by the British and Madras Inspectors of the State; and

(g) of any member of a village whether a tree-owning or not, residing in any of the villages of the Villages-in-charge district specified in Schedule II, for not more than five trees for such household domestic consumption, but not for sale.

In cases (a), (b), (c), (d), (e), (f) and (g) the licence may be issued in the name of the applicant himself or of his nominee, and in cases (a), (b), (c), (d) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tapping licence must first pay the fee (or the first instalment thereof, in the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a Taluk treasury. District officers may also require heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (b) the tree-tax must be paid into a Government treasury of the taluk in which the tree is situated, or to an authorized village market in the same taluk, and the receipt counter-signed by a declaration in the application to the effect that they have obtained a licence, payment or treasury has a shop specifying also the name and number of the shop for which trees are to be tapped. The shop licence should be produced before village markets in cases where the application and fee are

presented to those officers. Pudukkottai custom, when applying licences in British territory, must pay the full licence into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licence must be made in the prescribed form to the Inspector, Forest Department, in charge of the estate in which the trees are situated. Forms may be obtained from the Inspectors of the Forest Department from all Pudukkottai and Deputy Taluk offices and will be supplied free of charge. Applications put in by shopkeepers and tappers must not be stamped; those put in by other persons must bear a receipt stamp of one anna. In any case, if the fee has been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore custom and shopkeepers applying for trees in British territory should pay the licence into the Mysore Amli's treasury and should present before the British Collector or Deputy Talukdar concerned, along with the application in Form F.T. 5, the receipt with the Amli's certificate of the first to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore custom for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should necessarily be got counter-signed by the village headman of the village in which the trees are situated in token of the acceptance of the custom concerning the ownership of the trees. The tree-tax should be calculated at the higher rate, if the rates are not the same on the two sides of the boundary.

(2) Applications for tree-tapping licence in the South Kanara district should be accompanied by the entry or entries in possession of the trees intended to be marked in token of payment.

5. Lody shopkeepers in towns adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of lody to their shops on payment of the whole of the tree-tax in one instalment into the British treasury and subject to such conditions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will necessarily be the highest rate in force, if the rate is not the same on the two sides of the boundary.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to the State, the same when imposed being payable by British and Mysore licencees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in other territory on the application of farmers or shopkeepers in the other do not prevent the movement of trees in any specified area in the Madras Presidency or in Mysore with view to afford and thereby or for other sufficient reasons and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licence for trees so reserved.

6. Lody shopkeepers in British territory adjoining the Rangoon State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Federal district. Similarly, those in the Rangoon State will be allowed to tap trees in adjoining British territory. Lody shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax at the higher of the rates prevailing on both sides of the boundary.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable on licences or payment of the tree-tax to be tapped.

8. (1) Unless there are special orders for refusing an application will at once take steps for marking of the trees by an officer of rank not lower

then a Sub-Inspector and for the issue of the license. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the taxes applied for are in excess of the legitimate demand of the shop. Applications for taxes shall point out to the marketing officer, when required by the latter to do so, the taxes applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be refunded at the Collector's discretion.

(5) In the East Godavari District, in the Hanuman, Hanamastu, Tenkasi, Kileru and Yerraprolu taluqs of the West Godavari District, in the Rajula and Rajula taluqs of the Rayachoti District and in the villages of the Agency lands specified in Schedule I, taxes demanded for the drawing of fermented toddy and those for the drawing of sweet toddy shall, so far as possible, be in separate leaves or blocks.

3. Collector may, from time to time, prescribe the minimum number of taxes to be entered in an

original application. They may also direct that the taxes entered in one village only shall be included in an application.

10. Tally shall not be drawn from any toddy tree, nor shall any tax be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palayams and date trees in the Panchangam and for Dehbandi (Aryana Rights) trees in South Kanara, tree-tapping licenses shall be issued, that is, in force from 1st October to any subsequent date to the 30th September immediately following, and for coconut and mango trees they shall be half-yearly, that is, in force from 1st October to any subsequent date to the 31st March immediately following, and from 1st April to any subsequent date to the 30th September immediately following, except in the case of the trees which have been finally tapped, in which the full tree-tax may be levied.
